### **05/02/09 Website / New equipment**

Website :- Martin J .was thanked and complimented on the hard work that he had put in in getting the

web site up and running. It had been a time consuming activity. Martin has looked into the software now available to maintain and develop the site and sought permission to purchase an appropriate software package. It was agreed that he could spend up to £100. If it was to be more expensive then a grant should be sought.

New equipment:- the purchase of a new projector was proposed. It was felt that the membership were entitled to a better quality of projection than our current projector can achieve. This proposal was supported in principle and it was agreed to review it in the autumn after the expenditure on the conference was finalised.
